In the Eye of the Storm: Archaeology in the Midst of War in Syria

A talk by

Giorgio Buccellati & Marilyn Kelly-Buccellati

Cotsen Institute of Archaeology, UCLA

Federico Buccellati

Goethe University, Frankfurt a. M. (Germany)

While ISIS threatens the history and cultural identity of the populations under its control, people are fighting their influence in every way they can – including by defending their cultural heritage. The lecture will document how an important archaeological site in northeastern Syria, ancient Urkesh, is becoming a beacon of hope.

Friday, Feb. 27, 2015 at 7:30pm, CUA, Hannan Auditorium

Light refreshments will be served

The event is open to the public and free of charge. For disability accommodations, call 202-319-6643.
